

28 April 2023

QUARTERLY REPORT ON ACTIVITIES March 2023

Copper Strike Limited ("**Copper Strike**" or the "**Company**") provides an update on its activities for the quarter ending 31 March 2023.

Sale of Investment in Syrah Resources Limited

During the quarter the Company sold the remaining shareholding in Syrah Resources Limited (Syrah) (approximately 6 million shares), resulting in proceeds of approximately \$12.6 million. The average sale price per share was approximately \$2.12.

The Company considered it appropriate to sell the balance of the Company's holding in Syrah given current global market volatility, macro-economic conditions, recent interest rate policy changes in Australia, and the future outlook on global markets by various commentators.

Corporate Strategy

Copper Strike is continuing its strategy of actively seeking project acquisition opportunities across a range of commodities and sectors. The sale of the Syrah investment has put the Company in a strong financial position for when the right opportunity is presented, as it will likely mean minimal future dilution to existing shareholders. The Company will keep shareholders updated as the strategy continues to move forward.

Suspension from Quotation – Compliance with Listing Rule 12.1

On 1 December 2022, the Company provided a further update in relation to its earlier submission to the ASX requesting a 6-month extension to the 12 December 2022 deadline imposed by the ASX to demonstrate compliance with Listing Rule 12.1. ASX notified the Company that it would suspend the Company's securities from official quotation, and the securities of the Company were suspended at the close of trading on 12 December 2022 under Listing Rule 17.3.

Copper Strike will continue to review potential opportunities and keep shareholders informed of progress and will make an appropriate announcement when able to do so.

Cash Balance

As at 31 March 2023, Copper Strike had approximately \$19.6 million in cash. Copper Strike's cash costs from operations for the quarter was \$45,000.

Payments to related parties of the entity and their associates

Payments to related parties and their associates during the quarter totalled \$30,525, as outlined in Section 6 of the accompanying Appendix 5B. These payments are related to Directors fees and superannuation paid during the December 2022 quarter.

Exploration interests

The Company currently has no exploration interests.

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 6: Exploration for and Evaluation of Mineral Resources* and *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standards apply to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
