

ASX Release

PAYMENT OF FULLY FRANKED DIVIDEND

10 November 2023: Copper Strike Limited (ASX: CSE, “**Copper Strike**” or the **Company**) is pleased to announce the Company will pay a dividend to shareholders of \$0.0223 per share, fully franked. The payment of a dividend follows the sale of the Company’s holding in Syrah Resources Limited (“Syrah”) (refer ASX Announcement dated 16 February 2023) and represents a total cash payment of \$3m.

At 30 September 2023, the Company had cash of \$19.3m. Following the dividend and payment of 2023 income tax related to the sale of the Syrah shares, the Company will have a cash balance of approximately \$14.3m.

The Directors believe it is appropriate to pay a fully franked dividend to shareholders and utilise existing franking credits.

The Company continues to investigate multiple opportunities across the mining, energy and technology industries and has reviewed a substantial number of projects to date. The Company will inform the market when an appropriate opportunity arises.
